This service will benefits senior executives & will include industry specific software that enables you to pre-arrange one -on-one meetings with your desired partners.

MUMBAI DESTINATION OF BUSINESSES

GROWTH ENGINE OF INDIA, THE NEXT GLOBAL CITY

Mumbai is a city truly deserving of its recognition as the commercial capital of India. Metropolitan Mumbai is the home of India's most important institutions, making it the national hub of industrial, financial and commercial activity. The corporate headquarters of many Indian businesses are located in Mumbai, as are the offices of numerous Multinational corporations. Mumbai attracts talent from across the country and is a gateway to India. For these reasons and more, Mumbai is the natural choice for Radeecal.

THE CONFERENCE

The objective of the conference to bring together all the constituents of the Nonwoven Industry, under one roof & to create a neutral platform for the players of the Industry to share information and knowledge, both technical and trade oriented. To understand the market dynamics – existing and future (short term, mid-term and in the long term) and thrash out the issues & come to conclusions that shall benefit the Industry as a whole.
